

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: prior art of record does not reasonably suggest "making a composite image from two or more functional image data (functional images) regarding temporal changes in values of same pixels or section of an organ with passage of time (perfusion data)" and "composing tomogram and a blended image obtained by composing two or more portion images extracted from said functional images."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
